<b>Science Leadership</b>																												
International Organization: Advisory Council, International Steering Committee, Science Working Groups	Oct 2002: Special IHY Session at World Space Congress				1st International Planning Meeting				Developing Nations Workshop				IHY Science Campaigns				Coordinated Analysis Workshops, Activities				IHY Results Sessions at Meetings				Publications and Reports			
U.S. Science Organization & Leadership	Identify Team Members				USA Organizers Workshop				North American Community Science Workshop				IHY Special Sessions at Meetings															
Recruit Country/Region Representatives and Initiate Local Planning Activities	UK Organizers Workshop				India, China, Japan Org. Workshops				South America, Baltic States, Asia/Oceania				National Planning Activities in Individual Nations				Recruit Country Reps				Synthesis of Int'l Activities				Coordination of Campaigns and Analysis Activities			
United Nations and U.S. Congressional Resolutions for 2007-8	U.S. Congress passes 2007 "Science Year" resolutions				IHY Plan introduced at U.N. STSC				IHY plan adopted by U.N.: STSC/COPUOS/Gen'l Assembly				United Nations "Basic Space Science" Workshops on IHY															
<b>Scientific Activities and Research</b>																												
Scientific Analysis, Modeling, Research Efforts	Oct 2002: Special IHY Session at World Space Congress				Study				Implement				Coordinated Analysis Workshops, Activities				IHY Results Sessions at Meetings				Meetings, Publications and Reports							
IHY Campaign Coordination	Campaign Coordination Database Dev/Impmt				Theory & Modeling Initiative				Coordination of Campaigns and Analysis Activities				IHY Science Campaigns															
Coordinated Activities with Other Organizations and Agencies, such as IPY, LWS, SCOSTEP, etc.	ILWS/IHY Sessions and Workshop at IAGA Mtg				International Living With a Star				Integration with IPY Science				Joint IHY/IPY Science Campaigns															
<b>Communication</b>																												
IHY Website	Basic Structure				Add Resources and Tools				Continue to Populate, Serve as a Contact and Information Point				Collect and Digitize IGY Historical Info & Contributions															
IHY Contacts at most scientific meetings	Information, recruiting				Science Input				Stimulate Analysis and Discussion				IHY Special Sessions at Meetings				IHY Results Sessions at Meetings											
"Town Hall" discussions and Special Sessions at major meetings	Develop Tools & Coord. Structure				Town Hall Leaders lead activities, Incorporate results after meeting				IHY Special Sessions at Meetings				Coordinated Analysis Workshops, Activities				IHY Results Sessions at Meetings											
IHY Scientific Meetings and Science Workshops	Theory & Modeling Initiative Development				IHY Special Sessions at Meetings				Coordinated Analysis Workshops, Activities				IHY Results Sessions at Meetings															
<b>Activity Coordination</b>																												
Science Coordination Database	Prototype Database				Design/Test				Populate Database																			
Campaign Coordination and Planning Database	Study				Implement				IHY Science Campaigns				Coordination of Campaigns and Analysis Activities															
Data and Model Access System	Study				Implement				Populate Database				Access and Analysis				Coordinated Analysis Workshops, Activities											
<b>Developing Nations Initiatives</b>																												
UN Basic Space Science Activities	UNBSS/IHY Coordination Meeting				UNBSS Wkshp on IHY				UNBSS Wkshp on IHY				UNBSS Wkshp on IHY				UNBSS Wkshp on IHY				UNBSS Wkshp on IHY							
Global Scientific Instrumentation Activities	NSF DASI Workshop				Identify Participants, Funding Sources				Development and Deployment of Global Instrumentation				Continued "Legacy"															
<b>E/PO</b>																												
IHY Website	Basic Structure				Teacher Activities, Educator Tools				Serve as a coordination point for activities, stimulate interest in IHY activities & events																			
E/PO Activities and Development Efforts	Special IHY/IPY EPO Session @AGU				E/PO Committee Activities				Develop Educator Resources				Dedicated Activities at 2007 IUGG Meeting															
IGY 2007 History (Joint with AGU and IUGG History Committees)	Town Hall Meetings/ Special Sessions 1957 "Alumni" Gatherings at AGU				Collect and Digitize IGY Historical Info & Contributions				Publications				Dedicated Activities at 2007 IUGG Meeting
